Asset Development -Strategy Planning

- 1. For residential areas, Tatung will evaluate cash flow situations as well as locations to decide to pre-sell or to keep the land and property for rental income.**
- 2. For commercial areas, Tatung conducts marketing survey (by Jones Lang LaSalle) to ensure best applications for each lot.**
- 3. For un-designated industrial areas, Tatung plans to review what are the best applications at each location.**
- 4. For designated industrial areas, eventually Tatung will transfer all productions to these areas. For each site Tatung will review the margin creations of the products produced and gradually build up higher value-added products to create better margin rate for each square meter of land.**
