Safe Harbor Statement

The statements included in this presentation that are not historical in nature are forward-looking statements. These forward-looking statements which may include statements regarding Tatung group future results of operations, financial condition, and investment plan are subject to significant risks and uncertainties and are based on Tatung group current expectations.

Actual results may differ materially from those expressed or implied in these forward-looking statements for a variety of reasons, including, among other things: the cyclical fluctuation and our gross margin affected by downward price pressures; our dependence on growth in the demand for our products; dependence on access to raw materials and components; general economic and political conditions; possible disruptions in commercial activities caused by natural and human-induced disasters; and fluctuations in foreign currency exchange.

Additional information as to these and other factors that may cause actual results to differ materially from Tatung group forward-looking statements can be found in Tatung annual report on Market Observe Post System in TSEC website. Except as required by law, we undertake no obligation to update any forward-looking statement, whether as a result of new information, future events, or otherwise.
